HEAR FROM OUR STUDENTS

I like the commitment the faculty has in bringing the best out of us!

I am very much looking forward to joining Fairview's Foundation in Music, studying under Mr Jae Sern (lecturer) as being a Fairview student myself, I trust the quality of education I am getting and I am very impressed with the support the school has given to me throughout these years in making me a better musician. I choose to start my music tertiary study in Fairview as I like the commitment the faculty has in bringing the best out of us!

YANG LANG JIAN

Student of the Fairview's Foundation In Music

I get to learn from a Steinway Artist, which is a rare opportunity to come by.

I, Koot Kylie, chose to study in Fairview, because I believe in Mr. Poom's teachings. The interaction between him and his students is very engaging and professional. Moreover, I get to learn from a Steinway Artist, which is a rare opportunity to come by.

KOOT KYLIE

Student of the Fairview's Foundation In Music

I am looking forward to studying at Fairview International School!

I was born in Singapore. I began to study piano at the age of 8. At the age of 13, I won the gold medal of the Singapore international classical piano competition 2017 and also got the silver award of Cristofori's Got Talent 2019. Piano has always been my passion.

After getting my N level certificate in 2020, I went on to study at Nanyang Academy of Fine Arts and I am looking forward to studying at Fairview International School, Kuala Lumpur under one of the greatest pianists of Southeast Asia, Mr. Poom Prommachart.
